

Dear Hiring Manager,

I, OSENI Omokayode, wish to apply for the role of a Frontend Engineer, vending in your reputable company. I am quite interested in this position and would appreciate your consideration for the role.

In my previous experience, I worked with different teams of different sizes as a Frontend Engineer to deliver a great product and better User Experience for existing products. I worked closely with backend engineers to implement features to improve user experience. I have also worked with designers in creating and implementing clean and usable UI.

I am highly enthusiastic about building and improving solutions to every individual and building products to improve everyone's living experience. This makes me always eager to learn and adapt to new technologies as required to achieve goals.

Thank you for taking the time to look through my application materials. If you have any questions about the information I included, please reach out. I look forward to hearing from you.

Sincerely,

Oseni Omokayode.
